Examiner Pappas,

Attached is the Rehearing Petition as filed on Friday, March 19, 2010, in the Reexamination Proceeding for United States Patent No. 5,335,277. I provide a copy of this Petition to you as, in it, the Patent Owner of the '277 Patent [also the assignee of the application you are currently examining, US Patent Application Serial No. 08/442,383] makes certain arguments as to the concept of reprogramming a reprogrammable system with new operating instructions which are pertinent to the examination of the application you are now reviewing.

As set forth in MPEP 502.03, we recognize that Internet communications are not secure. According, applicants hereby authorize the USPTO to communicate with us concerning any subject matter of this application by electronic mail. We understand that a copy of these communications will be made of record in the application file.
